ICAS Competitions 2016

(International Competitions & Assessments for Schools)
Students in years 3 - 7 are invited to participate in the 2016 International Competitions and Assessments for schools (ICAS). For over 30 years ICAS has been delivered to schools throughout Australia and in over 20 countries in Asia, Africa, the Pacific Region and USA. ICAS provides an opportunity for students to gain a measure of their own achievement in an external testing situation. All participants receive a certificate and an individual student report indicating which questions they answered correctly and their score compared with the rest of the students tested. Certificates are awarded for each year level in each competition.
