Term 4 Week 7, 28th November 2016 Market Day Fun

Our students had a fabulous time at "Market day" last Thursday. Market day has become an annual event at our school and is organised by our Year 7 and 6/7 classes as part of their **Economics and Business** learning.

To participate in Market day, each student designed, created, promoted and attempted to sell a product for profit. This involved completing a design brief, developing an advertising campaign and evaluating profit/loss. Associated mathematics learning involved an understanding of unit pricing and 'best buys'.

Our younger students certainly enjoyed the opportunity to shop and taste-test the many products on offer!

Recently the school community had to vote on the fees for 2017. 447 letters were posted out. The outcome of this process is : 58 Families/92 students in favour of an increase and 8 families/10 students against. Therefore the legally recoverable amount for 2017 will be **\$320.00** known as the 'prescribed sum'.
