

DRESS CODE POLICY

RATIONALE

The Golden Grove Primary School Governing Council, in consultation with parents and students, have developed a school dress code which all students are expected to follow. This involves the wearing of school uniform or clothing in the school's colours (red and navy) and the wearing of hats in line with the recommendations of the Cancer Council (September – April inclusive).

The dress code at Golden Grove Primary School is designed to give students a sense of belonging, unity and pride. This enables them to be easily identified as members of our school, both while at the school and also out in the community. The code also minimises competition between students to wear more expensive and fashionable clothing, whilst encouraging equity amongst students. It is designed to be practical in its application to a wide range of physical activities and weather conditions and ensures students observe health, safety and decency standards.

Golden Grove Primary School operates a Uniform Shop that is staffed by volunteers a number of times during the week. Uniform items can also be purchased outside these times by completing an order form and leaving it at the office **or via the QKR app**.
