

WHAT IS A CHAPLAINCY SERVICE?

A Chaplaincy Service is provided by a Pastoral Care Worker (PCW) in a school community on behalf of the local combined Christian community to provide additional support as needed.

Pastoral Care Workers

- Provide pastoral care in a 'first response' capacity to critical incidents, refer to specialist support and to provide ongoing presence and followup
- Work closely and in partnership with leadership and other wellbeing staff in schools to provide pastoral care and practical support to students, families and staff as requested
- Are well positioned to work across the whole school to 'build a sense of' community, harmony and cohesion
- Are trained and equipped to provide their school with a unique dimension of social, emotional and spiritual support in line with the DECD wellbeing framework

Partnerships

Your local school and your local church work together to provide your Pastoral Care Worker.

WHY A CHAPLAINCY SERVICE?

The Facts

PASTORAL CARE WORKER: KELLY JOHNSTON

My name is Kelly Johnston and I have been the Pastoral Care Worker at Golden Grove Primary School since 2010. I love being part of such an awesome school community!

I do many things at school, such as helping with excursions, organising lunch time play activities, running small groups with a focus on things like social skills and friendship or meeting with children individually when they need someone to talk to. Teachers invite me into their classrooms when they need extra support for various activities. I provide parents and caregivers with information, assistance and referrals for a wide range of situations, from enquiries about extra-curricular activities to concerns about children's mental health and well-being.

My office is located just past the Uniform Shop. You can leave a message for me in my post box by the door, via email or by contacting the front office.

My regular days at school are:

Monday, Tuesday and Friday

CHAPLAINCY & WELLBEING

Chaplaincy Services promote student wellbeing, engaging young people in activities that are preventative and which support early intervention and referral of mental health issues.

PRINCIPALS ARE SAYING...

The benefits of the program are clear and include increased attendance at school by identified students, social and emotional support, increased access to social skills programs and families feeling supported in time of crisis such as suicide, death and family separations.

Primary School Principal

A lot of student problems never eventuate because the Pastoral Care Worker has provided support and encouragement early on. The students always walk away from their time with him with more bounce in their step....It is hard to imagine our school without thinking of our Worker.

Supporting School Communities
Across South Australia

Schools Ministry Group (SMG) coordinate and facilitate Chaplaincy Services in government schools across South Australia.

- School Chaplaincy commenced in SA Government schools in 1986.
- SMG partners with schools, local churches, state and federal governments to deliver Chaplaincy Services through the engagement of a Pastoral Care Worker.
- SMG works collaboratively with these partners in the recruitment, supervision and ongoing professional development of PCW's to ensure the placement of high quality workers who are well equipped to support young people and strengthen communities.
- Pastoral Care Workers are funded from two main sources - the National School Chaplaincy Program and the local church communities.
- The Chaplaincy Service provided through your PCW is a voluntary program offered to school communities.
