Term 4 Week 7, 02/12/2022

Dear Parents,

We are enjoying a very busy time at school this term. We've had multiple camps (and still two to go!), chicks hatching, the arrival of new buildings, new Reception visits, Performing Arts showcases and the list goes on and on!

The chicks have arrived!

We now have 9 chicks in the Science room and this has brought great excitement. There has been so much learning behind the project and our students are now enjoying observing the antics of Coco, Chickpea & Co!

Year 5 & 6 Camps

Year 5 & 6 students enjoyed their camping experiences at Wirraway. Although the Year 5s had a wet and muddy experience and the Year 6 students were lucky to have sunshine, both groups made the most of their three days away.

Performing Arts Showcases

On Wednesday morning this week we were entertained by over 100 performers in our Showcase. In the evening, instrumental music performers entertained two large audiences in the hall. Congratulations to all involved.

Excitement is BUILDING!

Our Performing Arts building is beginning to take shape. We watched last Monday as the first six modules were put together piece by piece. This building is expected to be finished early Term 1.

SAPSASA NEWS

Congratulations to Kaylin And Aiden who represented the Tea Tree Gully District Tennis Team.

They both played admirably at the Division 1 State Carnival, and their on and off court choices made them great representatives for the district and our school.

Good luck to both Kaylin and Aiden with their future tennis development.

Mia and Marlee have recently returned from the U12 Australian Softball Championships held in Melbourne. The girls represented South Australia with pride, learned new skills and gained great confidence in the sport. A fantastic achievement, placing third against a competitive Queensland and NSW. Congratulations Mia and Marlee!

We couldn't resist adding more cheeky CHICK photos!
