Term 2 Week 6, 3rd June 2021

Current learning in classrooms and in the library focuses on the importance of **National Sorry Day** (Wednesday 26th May) and **Reconciliation Week**, which began Thursday 27th May.

GGPS **KIDS NEWS** features this learning across the school.

Year 6 & 7 **Student Congress Leaders** recently attended a full day workshop at the **Golden Grove High School** to contribute to the high school's planning for the intake of Year 7 next year.

Our student leaders toured the new middle school building and met middle school staff. They discussed middle school subject offerings, student life, school clubs and school events. They provided advice to the school about Year 7 needs and shared information about the way Year 7 operates at primary school.

The Student Congress Leaders are now preparing a presentation for all Year 6 & 7 students to contribute to their high school 'readiness'.

COBBLER CREEK OUT OF SCHOOL HOURS CARE & VACATION CARE

TERM 2 WEEK 6 – OSHC NEWS

The children have been engaged in a lot of art experiences using a range of natural materials in the lead up to Reconciliation Week, World Environment Day and celebrating Autumn. Children have enjoyed learning and trying the various Indigenous art forms as they explore the new medium. Autumn provides children with a variety of learning opportunities as they talk about colours, blending and contrast of colours in art, why the leaves fall and using the leaves to create art masterpieces. The hardcourt has been very popular over the past couple of weeks as children have been participating in foursquare challenges, hoop games, cricket, basketball, tennis and developing their gross motor skills such as hand/eye and whole-body coordination.

SAPSASA Soccer Success

On Friday 28th of March was the SAPSASA Soccer Carnival held at Tilly Reserve. Our school competes in Division 1 because we are a large school. It proved to be a great day for both teams with the boys finishing first and the Girls 3rd, with some very close games.

Boys

GGPS 0 loss to Gleeson 1
GGPS 1 defeated Redwood Pk 0
GGPS 5 defeated Heights 0
GGPS 4 defeated St Davids 0
GGPS 6 defeated SFX 0

Position 1st. We scored 17 goals and conceded 1.
Goal Scorers: Jacob B 5, Xavier 3, Hamish 5, Scot 3, Marko 1 (penalty)

The boys were brilliant all day, and after losing our first match, from an error we made, they fought back brilliantly. Three teams finished with a 4 – 1 record, but as a team we scored the most goals. I was proud of the boys who after a scratchy first game, really clicked together as a team and our passing was superb at times. Thanks to our goal keepers Marko, Xavier and Kade for only conceding 1 goal. Scot was outstanding all day, moving into attack with speed, likewise Harrison and Ashton were unstoppable with their connection, speed and passing. Jacob was always dangerous and a great leader on the field with his 5 goals. Xavier and Kade were versatile whether playing forward or as goal keepers. Jordan created lots of opportunities for us, and was superb. Hamish was brilliant all over the field and ever dangerous around goal, hitting the net from sometimes 10 - 15 metres out. One shot was so powerful the goal keeper came off after it hit his shoulder. Marko proved to be our penalty master slotting a goal the Keeper didn't ever see. Everybody played their role on the day, and I was especially proud of our defence who stood up to some immense pressure at times.

Girls

GGPS 0 loss to Gleeson 2
GGPS 2 defeated Redwood Pk 1
GGPS 1 defeated Heights 0
GGPS 2 defeated SFX 0
GGPS 0 drew with Wynn Vale 0 (overall winner)

Position 3rd. 3 wins, a draw, and 1 loss. 5 goals scored, 3 conceded.

The girls took on the might of Gleeson first up and were just out classed all over the field. Thanks to our brilliant goal keeper Charlotte, the score could have been greater. In the last game against top side Wynn Vale with the score 0 – 0 with a minute to go Wynn Vale had an incredible 5 shots on goal, which were all saved brilliantly by Charlotte. It was an unbelievable effort. Lilly was a power house all day for us, scoring 3 goals. She did a mountain of running, up and down the pitch, and was a great leader to all the girls. Georgia, Indiana and Milly all drove the ball forward and used their speed at every opportunity. Abbie was always in the play, and Louisa was just fantastic in defence. On many occasions she saved the day repelling attack after attack. Carla, Stephanie, Miah, Ruby and Maja all played their role in both attack and when defending, and it was their effort, persistence which resulted into goals. They did amazingly well, when you consider we only had 2 players that actually play the game.
