Parent Teacher Meetings

Teachers are looking forward to discussing Term 1 progress with parents during the next two weeks. Please note the following arrangements:

- Please do not attend if you have any symptoms or are unwell. Alternative times will be arranged at a later date for those parents who cannot attend due to illness or isolation (and/or those who cannot attend in the case of teacher illness or isolation).
- Ventilation and social distancing measures will be in place.

Volunteers

During the past two years, volunteers have been restricted in many areas of the community, including schools. As such, the processes for applying to be a volunteer have been on hold. It is difficult to predict when volunteers will be engaged in the future, however we are reinstating the process at an administrative level now so that we are ready to welcome volunteers back in to the school as soon as restrictions lift.

Volunteer application packs are available from the office for interested parents.
Kind regards, *Wendy Moore*

WATER SAFETY LESSONS

This week our Reception - Year 4 students have attended Water Safety lessons at Waterworld. The program is designed to teach water skills and safety in a fun and safe environment, so that students develop a range of knowledge, skills, understandings and attitudes about water safety. Students have shown great progress with their water safety skills as well as independence with changing and organisation of their belongings at school.

SAPSASA Softball

On Friday 18th March, Golden Grove competed in the TTG District Softball Carnival which was held at the Dodgers Baseball Club. We took one team consisting of 2 girls and 8 boys.

We won 3 out of 4 games, finishing 3rd overall . The game we got beaten in we only lost by a few runs, unfortunately we just didn't score enough runs. The other 3 games were superb. Mia struck lots out in the 2 games she pitched. Marlee was our catcher for 3 games and was brilliant. She pitched in the last game, helping our team win against Wynn Vale who had been undefeated all day. There were lots of big hits on the day from Lachlan, Bohdi, Rhys and Mitchell. Our fielding, and base running was excellent all day. Rita, and Zoe coached beautifully and the boys and girls learnt a lot about how to play the game. Ms D was our scorer and Reagan was our first base coach. Thanks to all the parents who came and helped out on the day and supported our team.
