Term 2 Week 7, 17th June 2022

The Wonderful World of Science!

This year is the first year GGPS students have been offered Science as a specialist subject. Each class has two Science lessons per week with either Ms Haylee Garner or Mrs Renee Winn.

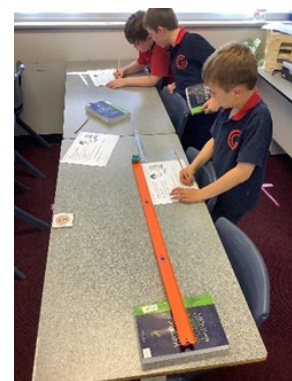

In the first semester, the Year 2-6 Scientists have been learning about Physics and Chemistry. A range of topics have been explored, including:

- Forces and energy
- Changes of state
- Using materials for a purpose
- Properties of materials
- Changing matter

Students participate in units of work that encourage a range of critical and creative thinking skills. The units of work also aim to develop an ethical understanding of sustainability.

Science lessons are often very "hands on" as you will see in the following photos depicting different year levels exploring scientific concepts and developing their skills (more photos inside).

CAN YOU HELP?

Our Science classes would appreciate donations of empty metal tins with lids (like Milo or Nesquik tins) and pop top bottles.

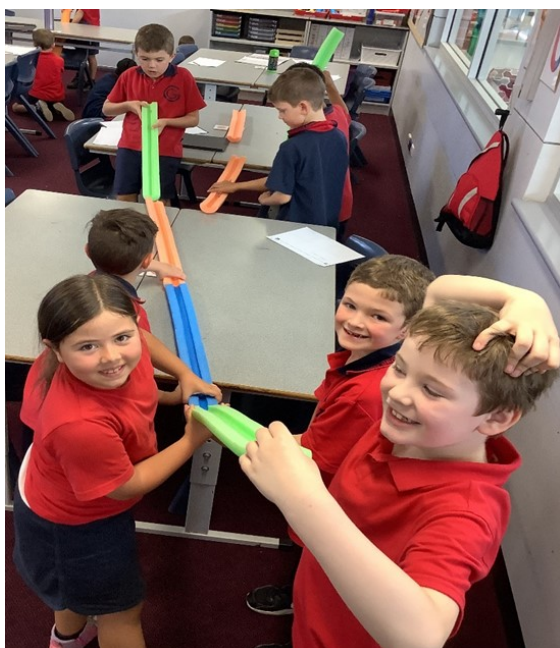

Please drop to the office or ask your child to take to them to their Science room. Thank you!

Knockout Netball Success

On Monday the 6th June, Golden Grove Primary competed in the first round of the State Knockout Netball Carnival. We were lucky to play at the Mega Sports complex in Windsor Gardens. The girls played some superb netball over the morning with the following results.

Game 1 - Golden Grove PS 42 defeated Gulfview Heights PS 0

Game 2 - Golden Grove PS 17 defeated Ardtornish 2

Game 3 - Golden Grove PS 21 defeated Nailsworth PS 1

The girls will progress to Round 2 where we will play the winners of the Northern Schools from Round 1.

Thanks to our coach Bec Feltus and all the parents who transported their children to and from the carnival.

Online psychological support for children with big feelings & life challenges

Do you have a child who:

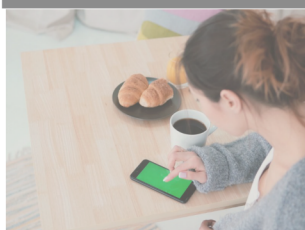

- Worries & gets frustrated
- Has difficulties in making/managing friendships
- Has been through tough life situations
- Might have a mental or emotional health challenge or diagnosis

We can help!

Calm Kid Central

1. Our child psychologists are on standby to help you with unlimited questions about children within 48 hours.

Tell us any question or concern you have about your child. Our panel of experienced & fully qualified child psychologists will carefully read and answer your questions online within 48 hours.

2. We help children learn to cope with big feelings, act confidently, stay calm, cope with friendships & act co-operatively.

Animated videos (and activity sheets & posters) for children on topics such as: Following Tough Instructions, Why We Get Mad and What To Do, Being Brave, Coping with "Mean" Behaviour – & many more:
